SMETA 6.1 high quality Audit has been conducted in TOP TISK obaly in May 2020.
The Audit encompasses all aspects of responsible business practice, created by the Sedex Stakeholder Forum.

SMETA (Sedex Members Ethical Trade Report) is an audit procedure which is a compilation of good practice in ethical audit technique.

It provides a globally-recognised way to assess responsible supply chain activities,
basing on 4 pillars:

- Health and safety,
- Labour standards,
- Environment,
- Business ethics.

Audit company:
URS Verification Private Limited
